Here's a photo of a rare 1963 International Scout Series 80 pickup that I recently rebuilt. IH Scouts were built from 1961 to 1980, created as a competitor to the Jeep. They could be set up as a 2-door enclosed sports utility vehicle or as a 2-door pickup. My 4-WD version has a 4-cyl. engine and is painted bright red ...

The International Harvester Scout is an off-road vehicle produced by International Harvester from 1961 to 1980. A precursor of more sophisticated SUVs to come, it was created as a competitor to the Jeep, and it initially featured a fold-down windshield.The Scout and second-generation Scout II were produced in Fort Wayne, Indiana, as two-door trucks with a removable hard top with options of a ...

### International Harvester Scout - Wikipedia

Description for International Harvester Scout 1963: 1963 International Scout 80. This is an all original black California plate Scout 80 that still has the original paint and vinyl on the front seats. As you can see it is in amazing condition. It has been garaged its entire life and has spent its entire life in Glendora CA.

### 1963 International Harvester Scout 80 - Classic ...

Few Scout 80 pickup donor trucks are as complete as this '63 model. Rescued from an old-timer in the Midwest, it's been well cared for and deserves to be restored. It's not much to look at right now, but it's a blank canvas and ready for custom touches. Turn the Scout 80 into a smooth highway driver or a mean mother of an off-road trailblazer.

1978 International Scout II Mecum. Insurance data supports that assertion. Nearly twice as many 1971-80 Scout IIs are insured with Hagerty as first-gen Scouts, and those Scout II owners have an average age of 51, two years younger than Scout I owners.

### The IH Scout is the bargain alternative to the Blazer and ...

Loving the International Harvester Scout is easy. A true gem alongside Jeep back in the 60s-80s, the Scout is what all off-road lovers adore about durable, capable vehicles. A little before the Bronco, the Scout offered the best of both Jeeps and the Broncos.Part truck, part people-carrier, it's a car that's found a place deep in our hearts when we look back at classic recreational vehicles.
