Airguide Ad - 1950s

The Fee & Stemwedel Company was founded in Chicago in 1930 by Albert Stemwedel and Dick Fee. They made barometers and thermometers for the home market under the trade name Airguide. In 1956 Dick Fee sold his interest in the company and the name was changed to Airguide Instrument Company.

services.

## **Airguide Instrument Co 605 Calibration | Calibration for ...**

This Airguide hygrometer probably dates from the 1950s. It uses a metal-paper sensor coil directly connected to the indicator needle. The coil consists of a salt-impregnated paper strip attached to a metal coil. As the paper strip absorbs or

# Access Free Airguide

Instrument  
Company  
releases moisture it  
causes the metal coil  
to wind/unwind, much  
like a bimetallic  
thermometer coil.
