Corporate Warriors The Rise Of

Corporate Warriors: The Rise of the Privatized Military Industry by P.W. Singer is a very compelling book that introduced me to a sector of American Defense Policy that I was critically under-informed regarding. Though the book is prefaced to be aimed at a Political Science audience, I found it to be very accessible.

Corporate Warriors: The Rise of the Privatized Military ...

"A must read for anyone interested in the art of war, Corporate Warriors is a fascinating analysis of a new, often secretive, global industry. Marked by impressive research, this path-breaking study describes a pattern of increasing reliance on private military firms by individuals, corporations, humanitarian groups, governments, and international organizations.
