Galilee Clive Barker

Galilee is a novel by British writer Clive Barker, published in 1998 by HarperCollins Publishers. It chronicles the rise and fall of two very different, but equally powerful dynasties. The first dynasty, the Gearys, are a glamorous and rich family, similar to the Kennedys, who have been a power in America since the Reconstruction. The Barbarossas are a family of godlike beings.

Galilee (novel) - Wikipedia

Galilee is very good, as pretty much anything Clive Barker writes is bound to be. But it does stumble in a few ways. Mister B. Gone marks the long-awaited return of Clive Barker, the great master of the macabre, to the classic horror story. This bone-chilling novel, in which a medieval devil speaks directly to his reader--his tone murderous one moment, seductive the next--is a never-before-published memoir allegedly penned in the year 1438.
