How People Learned to Fly - The Teacher Shop

How People Learned to Fly is one of my favorite units to teach! Its is differentiated and full of resources for first and second graders! I love the science connections that we make and the additional fluency passages that are in it. The students focus on fables, main idea and vocabulary in this unit.

How people learned to fly | Open Library

Shortly after my 30th birthday in April, I decided to get my toes wet by fulfilling a long-time dream of mine: learning to fly. Besides being obsessed with aviation and all things travel to begin with, I also just so happened to live in vicinity of a dozen airports and flight-training schools. I had all the tools in front of me and still made every excuse to do it "some day."

So You Want to Learn to Fly? Here's How I Got Started

To learn how to fly an aircraft requires an extraordinary amount of book knowledge. The most popular (and expensive) way is to pay a personal flight instructor. But unless your note-taking is...
