### Lily Love Kindle Edition Maggi

Lily Love by Maggi Myers touched me very deeply on so many levels. This story is about love, loss, struggle, doubt, acceptance, rediscovery of self and moving forward. Caroline, the main character, is facing all of this in a very realistic and brutally honest way. Let's face it, all of us at one time or another have experienced these emotions.

Maggi Myers's LILY LOVE, is a poignant story of losing something, in order to realize how mysteriously beautiful life can be! A powerful novel about the power of love. When you are at the end of your rope, sometimes God brings a ray of hope in our lives, which makes life worth living!

### Lily Love by Maggi Myers - Goodreads

The story is cute, sweet and short but is kind of one sided. The entire story is told in Noah's point of view, and I have read stories that are written in the same style, but those stories at least let you know about the other main characters characters through the view of the one narrating or "living" the story.
