The Model S Owner's Manual is available on the touchscreen. To view it, touch Controls > Owner's Manual. For detailed information about your Model S, go to www.tesla.com, and log on to your Tesla Account, or sign up to get an account. If you have any questions or concerns about your Model S, call 1-877-79TESLA (1-877-798-3752).

MODEL S - Tesla
Nvidia Tesla was the name of Nvidia's line of products targeted at stream processing or general-purpose graphics processing units (GPGPU), named after pioneering electrical engineer Nikola Tesla. Its products began using GPUs from the G80 series, and have continued to accompany the release of new chips. They are programmable using the CUDA or OpenCL APIs.
