## Psychotherapy East And West

\_Psychotherapy East and West\_, on the other hand, is respective of truth, critical and sceptical, yet provides firm answers as to how we can avoid the neuroses and depression that might result from an upending of our spiritual beliefs. Unconditionally recommended. One of my top five books of all time, of any genre.

they converge and contrast with one other. Watts' overall goal with this book was With its initial release way back in 1961, Psychotherapy East and West by noted philosopher Alan Watts sought to examine the parallels between Western psychotherapy and Eastern philosophy.

### **Psychotherapy East and West by Alan W. Watts**

But Alan Watts had the advantage of writing in English, and for this reason I believe \_Psychotherapy East and West\_ is THE ULTIMATE introduction to psychology for the Anglo-American reader. It represents the new wave of fusion psychology/philosophy/religious Asian cuisine. No longer should all these fields be separated.
