All those fighting together are with protecting their fellow soldiers.

Moral Logic Word Study.doc - Name Date lu2002u2002u2002 ...
Instead of leading the people to a newer, better, and morally higher point of view, any leader worth his salt needs to understand the moral logic behind his views, articulate that moral logic and call the people to a higher standard. This is true not just of politicians. It is true of every single individual who has an alleged moral point of view.

The Moral Logic of Being Pro-Life - str.org
It seems to come as a surprise for lawyers, as well as judges, to discover that the "logic of morals" is engaged at every turn in the law, from its formal properties to that task, never ending, to test the "justifications" that are offered for any law.

"the moral logic of survival guilt" Flashcards | Quizlet
And this is, surely, a moral project as much as a political one. To see intelligence as having some kind of special moral salience, to see it as the ultimate virtue or credential, is bizarre. Yes, we can admire the astonishing ability of, say, a master chess player, or a gifted coder. But we need not see them as somehow better human beings.

The Logic Of Bell Curve Leftism - The Weekly Dish
Moral reasoning is a study in psychology that overlaps with moral philosophy. Starting from a young age, people can make moral decisions about what is right and wrong; this makes morality fundamental to the human condition. Moral reasoning, however, is a part of morality that occurs both within and between individuals. Prominent contributors to this theory include Lawrence Kohlberg and Elliot Turiel. The term is sometimes used in a different sense: reasoning under conditions of uncertainty, such

The Moral Logic of Humanitarian Intervention | The New Yorker
Because moral logic is the language of the spiritual world, and to make use of moral logic is to begin a dialogue with the spiritual world. For the latter does not remain mute and indifferent when addressed in its own language. Ultimately, moral logic is the "logic of faith, i.e., thought which participates in revelation."

Moral Logic - Meditations on the Tarot
Of course, the moral logic of self-defense permits the use of defense force against arbitrary force. But, as Little notes, such force must conform to critical standards — standards that present objectively understandable and compelling reasons for the use of such force (indeed, the opposite of arbitrary force).

The philosopher maintains that casual empiricism and direct experiment are not applicable to the study of complex social phenomena.

The Logic of the Moral Sciences by John Stuart Mill ...
In "The Moral Logic of Survivor Guilt," Nancy Sherman uses this quote to explain the basis of survivor guilt in war. In "The Seventh Man" by Haruki Murakami, the narrator failed to save his closest friend from a wave. As Sherman said in her quote, people often feel guilty when they survive a situation that others didn't.
