The Romance Of The Fungus

I came across a 1925 edition of 'The Romance of the Fungus World'. Between 1925 - 2014, eighteen editions were published, including a 1974 paperback edition (see cover picture), featuring a trippy purple cover with an illustration of the caterpillar inspired by Lewis Carrolls's book 'Alice's Adventures in Wonderland'.

The Romance of the Fungus World by R.T. Rolfe

It was written in 1925 by two members of the British Mycological Society, and has that wonderful post-Edwardian academic tone. It's not a scientific treatise; rather, it is concerned primarily with the role fungi play (and have played) in human society. It's like a chat with a learned, slightly eccentric old uncle.

The Fungus by Harry Adam Knight (a pen-name for collaborators John Brosnan and Roy Kettle) is a page-turner right from the get-go, wasting absolutely no time at all thrusting readers into the horror of a grandiose and apocalyptic plague.

The Fungus by Harry Adam Knight - Goodreads

Fomes fomentarius (commonly known as the tinder fungus, false tinder fungus, hoof fungus, tinder conk, tinder polypore or ice man fungus) is a species of fungal plant pathogen found in Europe, Asia, Africa and North America. The species produces very large polypore fruit bodies which are shaped like a horse's hoof and vary in colour from a silvery grey to almost black, though they are normally ...
